

## Five Points Interchange

### What DelDOT Heard Last Time and Our Response

#### January 22, 2007 Public Workshop

- Presented one interchange option and No-Build Alternative
- Over 375 attended the workshop

#### What We Heard

- Received 300 comment sheets, numerous telephone calls, emails and letters, and a petition with 3,800 signatures opposing impacts to Ace/Best Hardware
- Investigate interchange options that reduce business impacts

#### DelDOT's Reponse

- Held meetings with interested business owners
- Developed five (5) new interchange options that reduce impacts to businesses at Five Points
